Friend --

I have an exciting Councilmember in Your Corner planned for this weekend in Historic Filipinotown. Nearly three years ago, I started this monthly event to bring City Hall and its services to my constituents. Month after month, hundreds of volunteers have joined us, and our community partners have also joined us to participate in a service project to improve the neighborhood we visit. The results have been amazing.

My next district walk will take place **Saturday, June 25, 9:30 a.m., at 339 N Coronado Street, in Historic Filipinotown**. The event is a chance to meet my constituents, share my appreciation for our local community leaders and small business owners, as well as canvass neighborhoods to distribute important contact information for free city services.

This month, I will be joined by some very special guests. Board of Public Works Commissioner Joel Jacinto will help me present a ceremonial check to Roel Punzalan, the winner of the HiFi Lights Street Light Design Contest. Also joining us will be the Project HiFi Lights committee members, Filipino American Service Group Executive Director Yey Coronel, Los Angeles Police Department Captain Jeff Nolte, the Los Angeles Bureau of Sanitation, and representatives of the Echo Park and Rampart Village Neighborhood Councils. As always, we will have our dedicated LA Conservation Corps and Central City Action Committee volunteers participating in a neighborhood cleanup during the event.

I look forward to seeing you at my next Councilmember in Your Corner in Historic Filipinotown! If you want to join us, [please RSVP here](#).

See you then,
